Presenting the 107th SCOPA Annual Meeting

August 21st - 24th

The Westin Hilton Head Island Resort and Spa
Space is Limited Register today!
Join us for the 2014 SCOPA Annual Meeting!
As the premier education event in South Carolina for optometrists, the SCOPA Annual Meeting combines first-class continuing education with a beautiful location in Hilton Head Island’s stunning natural beauty and the Carolinas’ coast at its best.

Register for a world-class lineup of optometric and paraoptometric speakers, and explore the exhibit hall with all the latest in technology and products.
Accommodations and Important Annual Meeting Information

Make your Reservations early! Room block released after July 20, 2014!
The Westin Hilton Head Resort and Spa will serve as headquarters for the Annual Meeting. Room rates are $174.00 per night, plus tax. Wheelchair accessible rooms are available. Please be sure to notify the Westin Hilton Head Resort and Spa directly if you require assistance due to a disability. You can make reservations by calling 1-800-WESTIN-1. Be sure to mention the SCOPA Annual Meeting to receive the SCOPA room rate! For those wishing to stay a little longer, SCOPA rates will be offered three days before and after the Annual Meeting. Check-in is at 4 p.m. and check-out is at 12 p.m. The Westin Hilton Head Resort and Spa offers ample complimentary self-parking for attendees. Valet parking is currently $17 per day.

Registration Information:
All meeting registrations are required by Friday, August 8, 2014. Registrations after this date will be charged the on-site fee, no exceptions. Complete the registration form and mail along with your payment to:

SCOPA - Annual Meeting Registration
2730 Devine Street
Columbia, SC 29205

Completed registration forms can also be faxed to 803-799-1064.

Annual Meeting registration fee includes: all continuing education, continental breakfast, refreshment breaks, luncheons, and receptions. ADDITIONAL TICKETS FOR SPOUSE/GUESTS MUST BE PURCHASED. Spouse/guests must either purchase a spouse/guest ticket (which includes a ticket to each social event) or separate tickets to each event. Name badges are used for admission to ALL social and food functions. Please be sure to wear your badge at all times and make certain the SCOPA has a list of names of guests and the events they will attend if you are purchasing additional meals. Should you have any questions, please call Jackie Rivers or Anna Balderson at the SCOPA office at 803-799-6721 or toll free at 877-799-6721. Registration fee is waived for 2014 graduates who are newly licensed SC optometrists, with SCOPA membership.

Cancellations and Substitutions
Cancellations received by Monday, July 21, 2014 will receive a full refund. Cancellations made July 22nd and forward will yield a refund less a $75 processing fee. Substitutions are permitted at any time. Please alert the SCOPA office of any changes. No refunds will be made to individuals who attend a portion of the meeting. No refunds will be made for cancellations due to inclement weather. It is the policy of the SCOPA to hold all meetings unless weather conditions are extreme. If the SCOPA is forced to cancel the meeting in its entirety, liability is limited to the registration fee.

Continuing Education Credits
Participants will receive continuing education credit based on the number of hours earned by attending sessions. PARTIAL CREDIT WILL NOT BE GIVEN FOR COURSES. CEU cards will be issued with Annual Meeting registration materials and will be validated after each session. Each session is monitored according to SC State Board regulations. Monitors will collect CEU cards and will record any personal breaks taken. Anyone exceeding a 10 minute limit will not receive continuing education credit for that session.

Upon completion of desired number of re-licensure hours, simply return your CEU card to the Annual Meeting registration desk for monitor’s signature. You will be given a copy of your validated card for your records. It is the conferee’s responsibility to confirm that credit has been submitted to the appropriate State Board offices.

The SCOPA is not responsible for any fines or penalties assessed for continuing education that is not reported to the desired agencies. Per the SC Board of Examiners in Optometry policy, O.D.s are responsible for keeping copies of their CEU cards if asked for an audit. SCOPA can no longer report hours for O.D.s.
Dr. Kyle Cheatham is a graduate of Indiana University School of Optometry and completed an ocular disease residency at the VA Medical Center in Kansas City. Dr. Cheatham’s passion is education. He lectures extensively across the United States and has co-authored three optometric textbooks that are widely used in optometric schools and offices across the country, including KMK Applied Science Review, 6th ed., the top selling textbook to optometry students nationwide in 2013. Dr. Cheatham is the president of KMK Educational Services, a company that provides practical continuing education for optometrists and helps prepare practicing optometrists and students for standardized examinations. Last year, over 90% of 3rd year optometry students nationwide were directed by courses taught by Dr. Cheatham. He is passionate about breaking down complex topics into simplified parts that are easy to remember and apply to clinic practice. He is on the board of directors for Fellowship of Christian Optometrists and is actively involved in the Nebraska Optometric Association.

Dr. Bradley Sutton received his Bachelor of Arts degree in psychology from Indiana University (IU) in 1989 and his optometry doctorate from IU in 1993. Upon graduating, he accepted a one-year residency in ocular disease and surgical co-management at Omni Eye Services in Memphis, Tennessee. He remained with the center as its director from 1994 to 1999 after completing his residency. In November of 1999, he returned to IU to become the clinic director at the Indianapolis Eye Care Center. He is heavily involved in patient care, clinical teaching, administration, and lecturing in the ocular disease courses. Dr. Sutton’s main areas of clinical interest include ocular disease and surgical co-management. He has given approximately 250 continuing education lectures on topics related to ocular disease at the local, state, national, and international level. He has also published numerous journal articles and a book chapter. Dr. Sutton is a member of the American Optometric Association, a fellow in the American Academy of Optometry, a fellow in the Optometric Retina Society, and is board certified by the American Board of Certification in Medical Optometry.

Dr. Keith Riddle received his medical degree from the Medical University of South Carolina (MUSC). He completed his residency at the Storm Eye Institute where he served as Chief resident. After residency, he was selected for a prestigious corneal fellowship in Laser Vision Correction and corneal transplantation at the Corneal Consultants of Indiana. Dr. Riddle is a board certified member of the American Academy of Ophthalmology, member of the American Society of Cataract and Refractive Surgery and South Carolina Medical Association. He is currently performing eye surgery at Laurens and Newberry County Hospitals, and the Surgery and Laser Center at Professional Park in Laurens. He is also a LASIK surgeon at TLC Piedmont in Greenville. Dr. Riddle is on the Speaker’s Bureau for several pharmaceutical companies.

Dr. Derek VanVeen currently serves as Clinical Director for TLC Laser Eye Centers in Greenville, SC. He is also TLC’s South East Atlantic Regional Clinical Director Advisor. Dr. VanVeen received his Doctor of Optometry and MS in Physiological Optics in 2000 from the University of Alabama Birmingham. He completed his Bachelor of Science degree in Mathematics at Furman University. Since graduating optometry school, he has concentrated on refractive surgery and enjoys lecturing on laser vision correction throughout the country. He currently serves on the South Carolina Board of Examiners in Optometry, is a Diplomat of the ABO, and is a member of the AOA, the SCOPA and the OCRT. Dr. VanVeen is married with one son. Besides optometry, he has a passion for golf, wakeboarding, snowboarding and running.

Dr. Schmidt graduated with honors from the Pennsylvania College of Optometry and completed a residency in Ocular Disease and a fellowship in glaucoma. He is an internationally renowned lecturer and an adjunct professor at two colleges.
Bruce E. Onofrey, OD, RPh is a 1982 graduate of the Illinois College of Optometry and residency at the Albuquerque Veterans Administration Medical Center. He also has degrees in chemistry and Pharmacy. He is recently retired from the Lovelace Medical Center Eye Department after 25 years where he served as the Chief of Optometry and Vice-chairman of eye services. His most current position is as a clinical professor at the University of Houston and executive director of continuing education programs. His special interests include lectures in general and ocular pharmacology and clinic drug research. Dr. Onofrey is a frequent contributor to ophthalmic literature. He is the current editor of "Clinical Optometric Pharmacology and Therapeutics", and the author of "The Ocular Therapeutics Handbook - A Clinical Manual," both published by Lippincott. He also serves as a contributing editor to "Primary Care Optometry News." He is an internationally recognized lecturer on the management of ocular disease and the use of pharmaceutical agents.

Dr. Rebecca Wartman attended the University of the South (B.A. Psychology) and the University of Missouri St. Louis School of Optometry. She is in private practice caring for nursing facility patients in western North Carolina. Dr. Wartman is a past president of the North Carolina State Optometric Society (NCSOS) and currently serves on the NCSOS Third Party Committee. She is the American Optometric Association’s (AOA) alternate advisor for the CPT Editorial Panel. She writes and lectures on insurance and coding issues, as well as long term eye care. Dr. Wartman currently serves as a board member and advisor for Doctors Vision Center OD PA, and as a medical director for Trident Mobile Clinical Services Eye Care. Dr. Wartman is married with two sons.

Mr. Mike Doll joined the ZeaVision team in 2009 where he has held several management positions including his current title as national director of strategic accounts and science advisory, as well as a speaker board member. Mr. Doll has an extensive background of 30+ years of sales, sales management, operational management, and leadership experience with ZeaVision. He speaks on a professional level in the fields of optometry and professional motivation. Prior to joining ZeaVision, his career included The Bureau of National Affairs, ADP Employer Services Division, ADP Dealer Services Division, Director of Operations in a Cecil Van Tile Organization, as well as owning and operating a successful web-based enterprise. Mr. Doll attended the University of Missouri in Columbia where he studied marketing and management. Other accomplishments include multiple President’s Club years and consistent leadership in growing business throughout his career. Mr. Doll lives in St. Peters, MO, with his two sons and nephew. He enjoys outdoor activities with family and friends.

With over 30 years in the Optical business, Mrs. Diane Drake is an advanced course approved and certified speaker by the American Board of Opticianry (ABO) and National Contact Lens Examiners (NCLE), and lectures on a local and national level. She graduated from the OAA Refractometry program in 1995 and received her Masters in Ophthalmic Optics Certification by the ABO. Mrs. Drake is a licensed optician in Georgia and was president and owner of All About Eyes Vision Center in Griffin, Georgia for over 19 years. She is currently a fellow of the Contact Lens Society of America (CLSA), a fellow of the National Academy of Opticianry (NAO), vice president of the NAO, vice chair for the Commission on Opticianry Accreditation, and chair of the Georgia State Board of Dispensing Opticians. She is a past president of the Opticians Association of Georgia and the SouthEastern Opticians Conference, and is a former adjunct instructor at Georgia Piedmont Technical College. She co-authored the COA Evaluator’s Workshop, the Advanced Opticians Tutorial and courses for the National Academy of Opticianry, and the Basic Opticians Tutorial for the NAO, as well as authored “Beginning Your Life as a Contact Lens Technician” and several other articles for other publications. Mrs. Drake has been honored and received several awards during her career. She was selected Georgia’s Optician of the year in 1992, and was honored with the Beverly Myers Achievement award by the NAO in 1996. She was also honored as being one of the 50 most influential women in the optical profession in 2004 by Vision Monday. Mrs. Drake regularly guest lectures at high school, colleges and universities in her community. She is also very active with local charities in her community.

SCOPA President’s Reception

The SCOPA is excited to announce that we are making some changes to this year’s President’s Reception that you won’t want to miss!!

During the new buffet dinner that will be offered this year, you will be thoroughly entertained by comedian Larry Weaver. His live performances include tales of growing up in the country, home remedies, family gatherings, marriage, traveling, trying to eat right, and much more! Larry’s lighting-fast wit, easy-going demeanor and Southern charm have won the hearts of audiences across America for over 25 years!

Please make plans to attend and support the SCOPA President’s Reception on Friday, August 22nd. During the President’s Reception the SCOPA will present annual awards and recognize leaders within the Association prior to the live entertainment.

Good, Clean Southern Comedy!
